

# Delivery of JETP Funding Commitments (IPG & Private Sector)

(Source: JETP Indonesia Progress Report 2025)

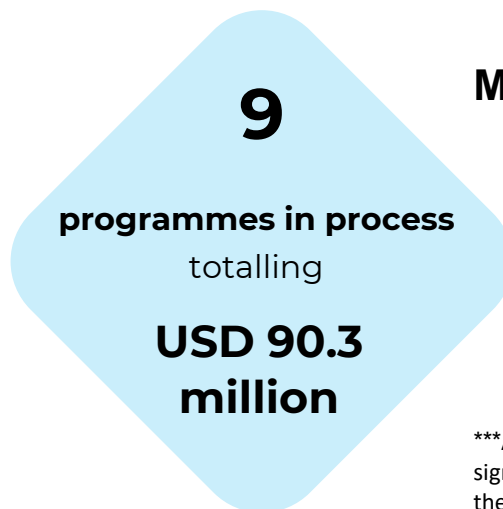

## Loan/equity\*

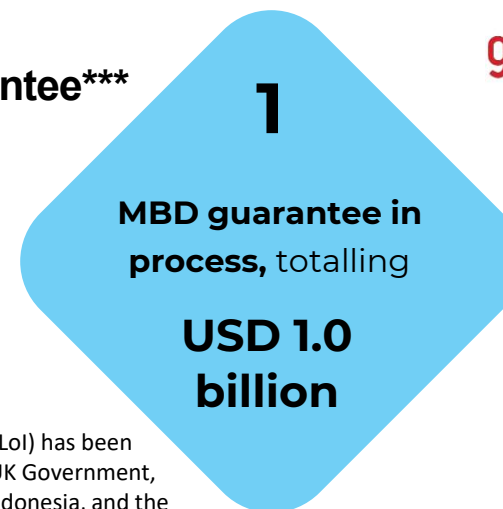

\*Programs are defined as investments that are not project-specific, such as Results-Based Lending, Policy-Based Loans, and equity investments.

\*\*Project costs are estimated by the FWG based on published data on power generation costs in Indonesia.

## Grant/TA programme

## MDB guarantee\*\*\*

### Notes:

1. Some programs are still under confirmation.
2. Foreign currency conversions to USD are based on exchange rates as of 28 November 2025, and currency variations depend on the timing of grant signing or approval. Source: Bloomberg.
3. Differences from previous reports are due to exchange rate fluctuations.

(Data as of January 2026)

## 16 implementing agencies:

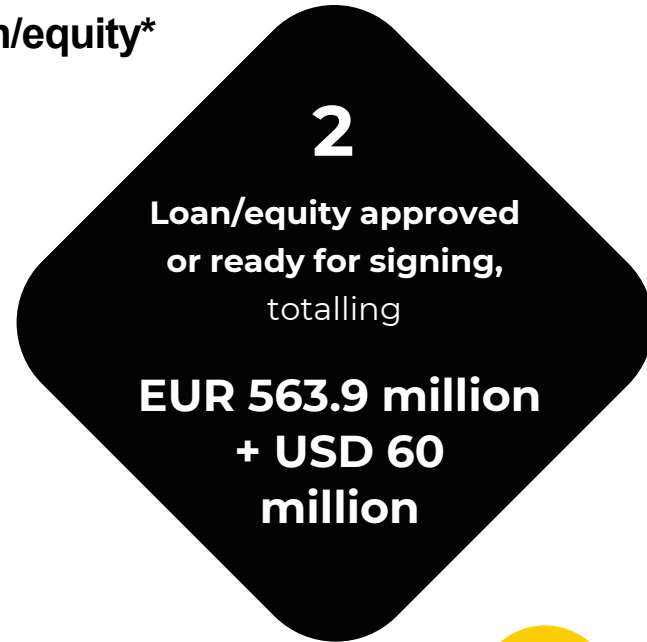

\*\*\*A Letter of Intent (LoI) has been signed between the UK Government, the Government of Indonesia, and the IBRD, meaning that the USD 1 billion guarantee is now accessible through the IBRD.
